WHO WE ARE | हमारा परिचय

“Learning is not the product of teaching. Learning is the product of the activity of learners.” – John Holt

At The Jain World School, we believe that education is not just the accumulation of knowledge — it is the awakening of wisdom.

It is the spark that helps a child understand not only the world but also their own inner light.

“Right education should help the student not only to develop his capacities, but to understand his own highest interest.” – Jiddu Krishnamurti

Education, for us, is not limited to facts and figures, history or science —

बल्कि सच्ची शिक्षा वह है जो हमारे मस्तिष्क के अंदर एक स्वस्थ मानसिकता को जन्म दे।

जब तक हमें स्वयं का और अपनी अंतरात्मा का ज्ञान नहीं होगा, सब कुछ व्यर्थ है।

शिक्षा वही सफल है जो हमें जीवन जीने की कला सिखाए, सत्य और असत्य में भेद करना सिखाए, और हमें आने वाली चुनौतियों का समाधान स्वयं खोजने की प्रेरणा दे।

In the spirit of the Bhagavad Gita, we view education as a holistic process — a journey of self-realization, inner balance, and ethical action.

It develops humility, purpose, and harmony — the true essence of learning.

Our school stands as a home of:

- Strong Values
- Modern Innovation
- Fearless Creativity
- Purposeful Leadership

We believe — “Knowledge becomes powerful only when it inspires compassion and responsibility.”

हम बच्चों को नहीं, भविष्य को शिक्षित करते हैं।

Motto: "Inspire. Innovate. Illuminate." (प्रेरित करो। न वाचार करो। जग मगाओ।)

यही हमारा मार्गदर्शन, यही हमारी पहचान है।

With gratitude to the Almighty, I now present before you *the Annual Report for the session 2024-25*.
