“ Snowflakes of knowledge: Winter Break Challenges”

Dear Parents,

We hope this message finds you well. At **THE JAIN WORLD SCHOOL** , we believe that learning becomes most effective when it involves collaboration between teachers, students, and families. Assignments are a key part of your child's academic journey, designed to reinforce classroom learning, develop critical thinking, and cultivate independence.

To ensure your child gets the most out of their assignments, here are some ways you can encourage their active involvement:

- * **Create a Positive Learning Environment:** Provide a quiet, well-lit space where your child can focus without distractions.
- * **Set a Routine:** Help your child establish a consistent time for completing assignments, balancing it with leisure and other activities.
- * **Show Interest:** Ask about their assignments and listen as they explain what they're learning. This can boost their motivation and confidence.
- * **Offer Guidance, Not Answers:** Encourage your child to think critically and solve problems independently while being there for support when they need it.

General knowledge - (Critical Thinking and Infographics)

1. **Country Profile:** Create an infographic about a country, including its capital, population, language, and interesting facts.

2. **Animal Facts:** Create an infographic about your favorite animal, including its habitat, diet, and unique features.

Choose any one topic and write it on using A4 sheets, decorate it also.

MUSIC - (Developing singing ability)
